Jumps on more turtles along with his pet dragon to collect a bonus. Ozzy returns to the beginning of the level. Turtle Pong is a racing game in which you control a turtle that you can propel around a pong style table. Unlike other racing games like Mario Kart where the racing environment is almost fixed, this game features a pong table with its own challenges. You have to guide your turtle up and down and around the screen. You can race in single or multiplayer mode. The objective of the game is to shoot the ball to the other side of the lane. TriTurtle is a platform game that will have you shooting blobs of paint at small creatures that inhabit the Tetris-like world. You can play the game in two modes, Classic and Panic mode, where you have to keep a certain total number of pellets in the tank. A turtle navigates around a maze and collects two different kinds of fruits. If the turtle eats one, it grows. You can earn extra fruits by collecting all the fruits in the maze. Slash Tee-ree is a puzzle game that gives players access to a virtual tennis court. The goal of the game is to slash a tee-ree across the screen in order to hit the ball and make it fall into your side of the court. You control the orientation of the tee-ree and hit the ball. There is only one ball and you have to catch it as many times as you can before it falls off the screen. A friendly pink turtle is trapped inside a giant and hostile world, where he must use his various abilities to save himself. The game includes two modes: story and game. The objective of the game is to guide the turtle up and down using the control pad to collect various prizes. If the turtle touches the edge, it will fall down and start again. Play as a turtle named Marco, who is traveling to a farm. As he approaches the farm, he is attacked by a robot that shoots him from a nearby lake. Escape from the nest is an arcade game that is inspired by the popular game "Sonic the Hedgehog", where you play as a small egg on a path towards a big planet. You have to avoid the different obstacles and hit some oncoming enemies in order to progress. In Night of the Turtle, you are a turtle who has been locked in a dark room, where it is night time. Your task 82157476af
